

Family Support Group

Join our growing group of families that meet monthly at the Discovery Center for conversation, friendship, and laughs while our kids play in the gym or outside.

What a great opportunity to meet other mom's and dad's (yes, they do attend 😊) parenting a child with special needs or, how about just the daily challenges of parenting any children.

It's also an opportunity to meet the coordinators, Brooke and Jeremy Price, parents of three children. It's a chance to talk about how our community in Logan County can support families of children through relationship building, social outings, and parent educational opportunities. We want to hear from you!

When: Friday, May 17, 2024

Where: Discovery Center preschool

(enter through the main entrance and ring the doorbell on the right)

Times: 5:30 – 7:30 pm

Can't make 5:30 work, no problem. Just come when your schedule allows. Most days we're in the gym but on nice weather evenings, we play outside.

Not necessary to RSVP but if you have questions, email Brooke Price at brooklynp529@gmail.com
